Whereas:

- 1) The Data Controller is established within the EU/EEA and is under the jurisdiction of the General Data Protection Regulation 2016 (GDPR) and the Data Protection Act 2018.
- 2) The Data Controller may need to process the Personal Data described below in order to perform our duties under our contract with you or because it is in our legitimate interests for us to do so.
- 3) In order for us to process such data we require your consent to do so.

Personal Data requiring consent:

Health information pertinent to the safe participation in gymnastics classes.

Intended use:

To understand any health issues that may either preclude participation or may require special adjustments to the exercise programme in order to ensure the safety of the gymnast.

Consent relating to minors under the age of 13: Data Protection law requires that consent may be given by parents or those with parental responsibility, but it also requires that the data subject has had the subject of the consent explained to them in a way that they can understand and that they have agreed to your giving consent. By signing this form, you confirm that you have the gymnast’s consent.

Withdrawal of Consent: You can withdraw your consent at any time by sending a copy of this form to us indicating that you no longer give consent. A copy of this form can be found on our website.

Declaration:

I, the parent/legal guardian of the Data Subject identified above, give the following explicit consent for the Special Category Data to be processed by the Data Controller (please insert an X in either “Yes” or “No” column):
